New Orleans*

April 2006

Dear Valued Customers and Friends:

We hope this letter finds you and your family well and safe. In the aftermath of Hurricanes Katrina and Rita, we are all experiencing the challenges of rebuilding our lives, homes and businesses.

Although our office in New Orleans was destroyed, we are continuing to operate from a temporary office in Metairie. Our good friends at ISH (Industrial Safety & Health) have graciously provided us with space and furniture until we can establish a permanent location. We have been holding training courses here since January. The address is 4713 Utica St., Metairie, LA 70006.

Our NEW telephone number has been installed at our new location, so please call us at 504-888-7618 or (outside the New Orleans area) 800-672-3389. We have a new local fax number 504-888-7612 and a new toll-free fax 866-698-1685.

Our mail is being routed to our new post office box at P O Box 858, Kenner, LA 70063-0858. Please use our post office box for faster delivery of mail.

Our website and email addresses remain the same:
