

## National Safety Council First Aid Instructor Agreement

Thank you for your interest in becoming an authorized NSC First Aid Instructor. NSC offers two ways to become an authorized NSC instructor:

- If you are currently authorized to teach by another provider, we will “grandfather” you in as an NSC instructor (See qualifying credentials below).
- NSC Instructor Development Courses (IDCs) are available through many NSC Chapters and Training Centers for persons who do not meet the requirements for grandfathering. For a listing of Chapters and First Aid Training Centers near you visit the NSC website at <http://train.nsc.org/nFATC/newFATCal01.aspx>.

**NSC PROGRAM START-UP FEES:** Each approved Instructor is required to purchase one NSC Instructor Resource Kit for each course to be taught by that instructor. **Please Note: Instructor cards for authorized instructors will not be issued until these materials have been purchased.**

**INSTRUCTOR AUTHORIZATION FEE:** The first year of the instructor authorization fee is included in the cost of the Instructor Resource Kit. After the initial year, authorized NSC instructor credentials must be renewed annually for \$40.00. These fees are non-refundable.

Please send completed applications and supporting documentation and signatures to:
