Slips, Trips & Falls Prevention Train-the-Trainer

Thursday 2/28/19, or Wednesday 5/15/19 or Wednesday 9/16/19

1:00 pm – 5:00 pm

Protect yourself and your employees from the second leading cause of unintentional workplace fatalities. These programs are fully customizable! Fee includes the Facilitator Kit that is designed for employees of all levels to be able to recognize, evaluate and control hazards that contribute to slips, trips and falls. Add your own slides, videos and polls. Includes a component for the employees and a component for the supervisors.

Awareness Program (2-Hour)

- The impact of slips, trips and falls in the workplace
- The three components of effective slip, trip and fall prevention
- How to select and recommend appropriate footwear
- How to recognize slip, trip and fall hazards at the workplace and at home

Supervisor Program (4-Hour)

- Everything included in the Awareness Program PLUS...
- How to identify the risk factors for slips, trips and falls
- How to evaluate slip, trip and fall hazards
- How to identify and implement controls related to slips, trips and falls
- How to identify and implement controls for safe working at heights

Course Fee:

Member \$250* per person / Non-member \$325* per person

Includes Facilitator Kit (Product #12387-0000 \$210 value) with both the Awareness and Supervisor Facilitator Guides and CDs.

Advanced registration required. Please visit our website or call for details.

*Based on payment received at least 10 days prior to class.
